Find the hidden words to reveal the encrypted message from Albert Einstein:

Intelligence officers at Bletchley Park think one word on the list is a red herring and is not in either puzzle, but they don't know which word it is. Red herrings were common during the war to mislead the codebreakers from deciphering hidden messages. This must be a trick to slow you down! Can you help Bletchley Park? The unfound word at the end, will be the red herring, circle which word it is.....
